

We are looking for...

Based in Zurich, Switzerland, Alpha Associates is an independent private equity, private debt and infrastructure manager with an excellent service and investment track record. We are an international team of more than 50 and are looking for a motivated individual to join our Investment Team. Our working language is English.

We manage multi-manager private markets programs for institutional and professional private clients worldwide. We make primary fund commitments, direct co-investments and buy mature portfolios in secondary transactions.

We are looking to reinforce our Investment Team with an

Experienced Private Markets Investment Professional

Qualifications:

- You hold a university degree in finance, economics or a related subject.
- You have at least five years of relevant experience, gained in the field of multi-manager private equity and/or private infrastructure.
- You have an excellent performance track record.
- You have a network in the industry and are experienced in sourcing co-investments and secondary opportunities.
- You have strong analytical as well as financial modelling skills.
- You are a team leader and team player but at the same time efficient and diligent in performing your tasks independently.
- You like to work in a dynamic environment where multi-tasking is key.
- You are fluent in English. Proficiency in German is an asset but not a must.

Are you interested?

If you are interested in working within a dynamic international team in an environment with open communication and a flat hierarchy, please send your complete application to Daniela Watter at daniela.watter@alpha-associates.ch
